Dear Resident/Landowner,

Subject: Notice of Road Closure: Township Road 554

This spring, Sturgeon County began reconstruction work on Township Road 554 between Range Road 254 and Range Road 260. As part of that work, a temporary road closure was put in place on Township Road 554 in the construction zone. This temporary closure is being extended to the end of August 2025, with a slight adjustment.

What this means to you

Township Road 554 will now be temporarily closed starting near Highway 2, with access restricted to local traffic. The intersections at Range Road 255 and Range Road 254 will be graveled as soon as the contractor is available. This will allow residents to continue using those intersections for north-south travel. Right now, the only available detour option is Range Road 260 which remains open for north-south travel.

This temporary closure is necessary to expedite the road reconstruction project. By closing the road, we plan to maximize the construction season and complete the project by the end of 2025.
